ILLINOIS BEEF ASSOCIATION Membership Portal

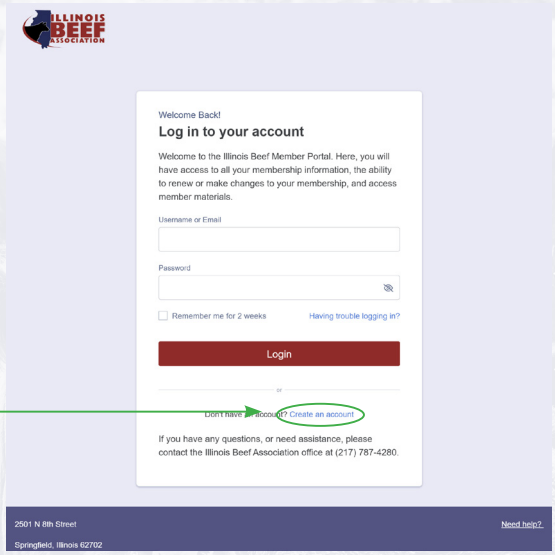

Illinois Beef Association has recently transitioned to a new online membership software, now allowing members to have access to a membership portal where they will be able to view, renew, and adjust your membership, as well as access other key assets of our organization, including our member-only directory, events and registration, member benefits, communications and more.

Here, you will learn how to log in and set up your membership portal with an existing membership.

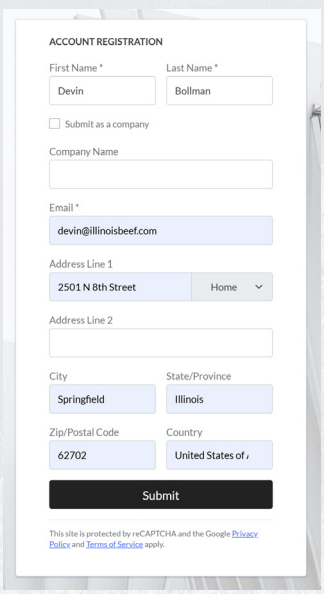

STEP ONE:

Visit https://illinoisbeef.app.neoncrm.com/login or scan the QR code below.

A page will open up, prompting you to log in to your account. You will first need to create an account, by clicking 'Create an account' below the login button.

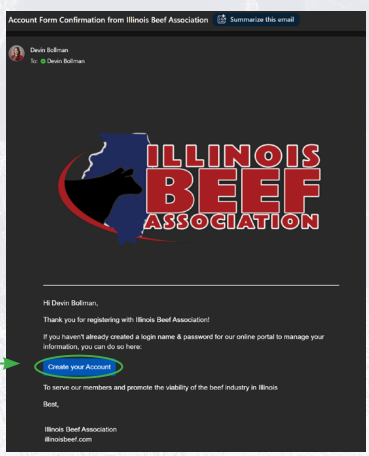

STEP TWO:

An account registration page will open up. Here, you will enter in the name in which the membership is under, a farm/company name if you chose, and the email and address you have on file with your existing membership. Once complete, click the 'Submit' button.

You will then need to go into your email account and look for an email from Devin Bollman with the subject line "Account Form Confirmation from Illinois Beef Association". This email will include a button that reads "Create your Account". Click this button to open in your browser the account set up page.

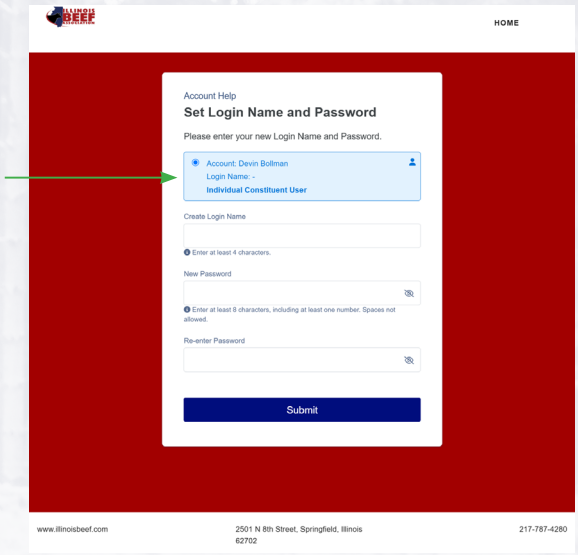

STEP THREE:

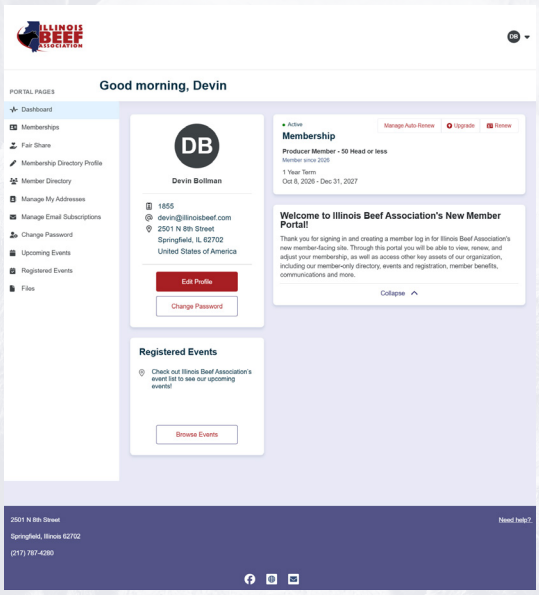

Once the Set Login Name and Password screen opens up, the portal will pull all individuals associated with thae name, email, and address match that you entered during Step Two. Be sure to select the correct account if multiple pop-up here.

You will then enter a Login name and password. Be sure to write this down or save it some where for future use. Click the 'Submit' button.

If no match, an incorrect match, or duplicate matches pop-up, please contact Devin at the IBA office via email at devin@illinoisbeef.com *or office phone at* (217) 787-4280.

STEP FOUR:

You should now be logged into your member portal, where you will be able to view your current membership and status, account information, upcoming events, association updates, and more.

All memberships expire December 31, so be sure to renew your membership once in the member portal. Members now have the ability to sign-up for auto-renewal for their membership.

Questions or need assistance?

Please contact Devin Bollman, IBA's Membership Manager with any questions or if you need assistance at any step in the membership portal set-up process.
